PUMPING EQUIPMENT

All-Flo Pump Co.
Efficient, durable, and low-maintenance AODD pumps handle tough fluids in construction, chemical, food, and wastewater industries.

AMT / IPT Pumps
General use pumps and accessories. Quick shipments and most models available within 24 hrs.

Barnes
Versatile, high-performance pumps trusted for over a century, delivering reliable, cost-effective solutions for sewage, wastewater, and decorative fountains.

Blacoh Fluid Control
Pulsation dampeners, “spill-stop” leak containment systems, gauge isolators and “super shield” surge vessels.

Bollfilter Protection Systems
A renowned German provider of advanced liquid and gas filtration technology.

Boerger
Durable, customizable rotary lobe pumps for tough applications in wastewater, biogas, and industrial fluid handling worldwide.

Continental Ultra Pump
Reliable progressive cavity pumps since 1946, built to handle tough fluids in industrial and wastewater applications.

Cornell
Efficient, durable centrifugal pumps for agriculture, industrial, municipal, and more—built to solve real-world challenges.

Dickow Pump Company
Reliable sealless and mechanical pumps for demanding chemical, petrochemical, and industrial applications.

Gorman Rupp Pumps
Super “T-Series”, Super “U-Series”, prime assisted centrifugal pumps, stations, and standard horizontal end suction pumps to size 16”.

Grundfos
Energy-efficient pumps and water solutions for residential, commercial, industrial, and agricultural applications.

Hydra-Cell - Wanner Engineering
High-pressure cam-driven pumps and metering pumps used for abrasive, corrosive and viscous liquids handling.

Knoll
Specialized pumps and systems for metal-working, handling cooling lubricants and chip transport.

LMI - Milton Roy Pumps
Metering pumps, controllers, feed systems, solenoid driven and diaphragm pumps are used in chemical dosing and injection.

Oberdorfer Pumps
Centrifugal pumps, CHEMSTEEL™ gear pumps, and flexible vane impeller pumps used in marine, chemical and solvent applications.

Oreco Systems
High-Head Effluent Pumps: Designed for wastewater applications, these pumps transport filtered effluent from septic tanks with high pressure capabilities, ideal for STEP systems.

Price Pumps
Highly configurable small to mid-sized centrifugal pumps in various materials with many sealing options.

Flowserve
Flow control solutions—including pumps, valves, and seals—designed and serviced for critical industries like oil & gas, power, and water.

PUMPING EQUIPMENT - CONT.

R.S. Corcoran Company
Corrosion-resistant centrifugal pumps in various designs support chemical, pollution control, and marine applications.

SEPCO
Mechanical seals, packing, and sealing solutions are available for pumps used in industries such as power, chemical processing, and water treatment.

Sulzer
Energy-efficient pumps, agitators, and mixers support wastewater, oil and gas, power, and pulp and paper industries.

Tsurumi Pump
A vast range of submersible pumps engineered to withstand the most rugged applications.

Versamatic
Reliable air-operated double-diaphragm (AODD) pumps deliver efficient solutions for a wide range of industries, including food processing, water treatment, and pharmaceuticals.

Waukesha Cherry Burrell
This line of ECP Rotary pumps is designed for the industrial sector, handling the toughest applications across a wide range of flows, viscosities, and pressures.

Weir Minerals
Engineered slurry and dewatering pumps, hydrocyclones, and wear-resistant solutions for mining, power, and industrial applications.

Whirling International
Progressive cavity pumps and parts for tough jobs in wastewater, oil & gas, and food processing.

CUSTOM FABRICATION

Equipment Packages

Tencarva designs and builds systems to your specific requirements.

- Multi-Pump Packages
- Booster Stations
- Vacuum and Blower Systems
- Chemical Dosing Skids
- Control Panel Integration
- Certified Surface Polishes
- Digital Instrumentation

Tencarva Fabrication
can help you build
the perfect solution
for your facility.

FABRICATION EXAMPLES

Custom 3996 Hanging Bases

Apex Duplex w/Controls

Tandem Package Skids

AODD Multi Pump Package

AOD Filter Tank System

Self-Priming Fire Pump w/Bases

Metering Pump Skid

High Pressure Multi Stage Control Package

SS TriPlex Booster System

Custom Axial Flow Bases w/
Motor Adjusters

Duplex Booster Package
w/Controls

TriPlex Filtration Skid

SPECIALIZED COATINGS

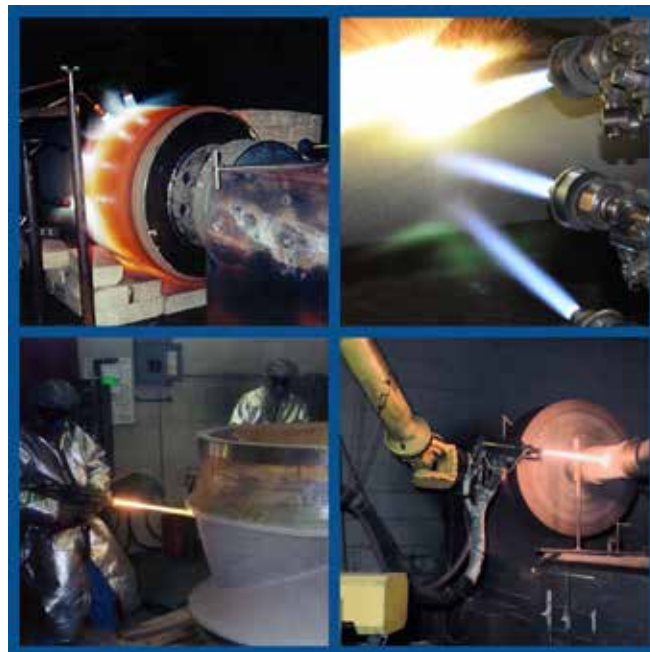

Specializing in high-quality abrasion, corrosion, and wear-resistant specialized coatings.

Coating Methods

- Ceramic
- Fused (Metallurgical Bonded)
- HVOF (High Velocity Oxy Fuel)
- Wire Spray
- Metalizing

Key Coatings

- Nickel Chrome Boron
- Tungsten Carbide
- Chrome Carbide
- Chrome Oxide
- Wallex 50
- Belzona
- Tnemec
- Enecon

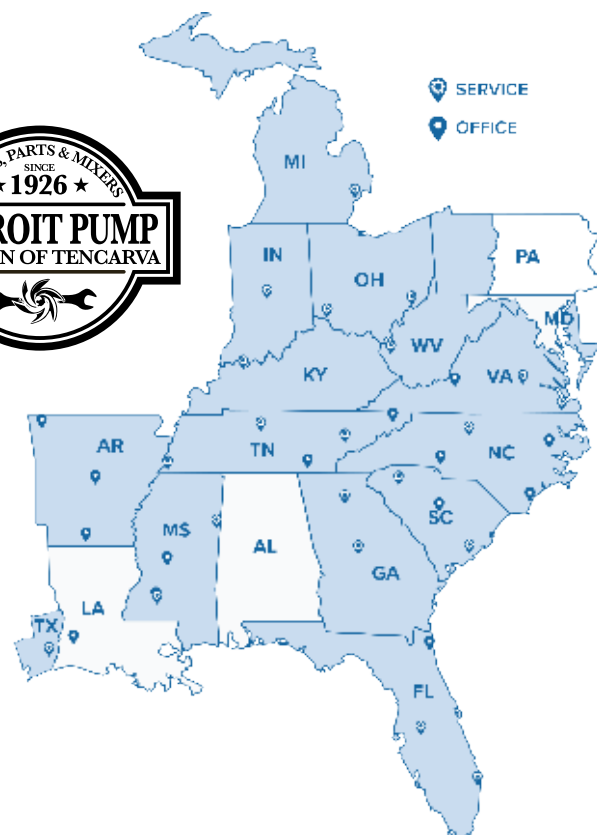

SERVICE & REPAIR

- Field Service / Start Up
